Cabernet Sauvignon · De-alcoholised

This Leitz Cabernet Sauvignon is a dark and full-bodied de-alcoholised red wine with a fruity bouquet of blackberry and noble hints of plum. The tannin-structure is well balanced and creates an interesting taste with a certain level of complexity which is rarely found in other de-alcoholised wines.

GB / USA: Ingredients: De-alcoholised wine, grape must, rectified concentrated grape must, **sulphites** | **DE:** Zutaten: Alkoholfreier Wein, Traubenmost, Rektifiziertes Traubenmostkonzentrat, Konservierungsstoff: **Schwefeldioxid** | **DK:** Indeholder: Afalkoholiseret vin, druemost, rektificeret, koncentreret druemost, **sulfitter** | **NL:** Ingrediënten: Gedealcoholiseerde Wijn, Druivenmost, Gerectificeerde geconcentreerde Druivenmost, **Sulfiet**
